## **WELCOME**

Welcome to Collie Club of America National Specialty Agility Trial! We hope everyone has a great time. Please review your enclosed entry information. If there are any errors or problems, email the trial secretary at [secretary@livetrial.net](mailto:secretary@livetrial.net) (preferred) or phone (630) 790-8426 (After March 5, use phone number (630) 456-0097). Dogs in the Master or B classes will run first, followed by dogs in the Excellent or A classes for each jump height. Dogs in the Preferred program will run after dogs in the Regular classes in each jump height.

**SETUP: No site access is available on Sunday. Building opens 7 a.m. CST Monday morning. We will be unloading the equipment and setting courses first thing Monday morning so please come by to help if you are available.**

## **WORKERS:**

Since this is a small trial, we'll need all the help we can get. If you would like to volunteer there is a signup form available at <http://rdolson.org/cca-worker>  
If you can stay around after the show on Tuesday to help load the equipment that would be greatly appreciated!

## **ARMBANDS:**

If you did not note on your entry form that your dog needs to be measured, your armband will be available for pickup, along with course maps for the day. If you do not have a height card, your dog will need to be measured by a Volunteer Measuring Official. We have two VMOs this trial – Jim and Judy Smotrel – so if you have a dog who is over two years of age and hasn't been measured you can have both your required measurements taken care of.

## **FOOD:**
