

La Salle Brittany Club /
Glenbard All Breed Obedience Club
AKC Agility Trial
January 29 – 31, 2021

WELCOME

Welcome to the La Salle & GABOC January trials! We hope you all have a great time.

The building opens at **6:30 a.m.** each day. Please do not arrive earlier than this, per the hosting site requirements. See the judging schedule for the start time for your classes.

No setup on Thursday night.

Please review your enclosed entry information. If there are any errors or problems, please email the trial secretary at secretary@livetrial.net (preferred) or phone (815) 242-5483. Except for the first class of the day in each ring, all start times are approximate. Dogs in the “B” or “Master” classes will run first, followed by dogs in the “A” or “Excellent” classes for each jump height. Dogs in the Preferred program will run after dogs in the “A” classes in their corresponding jump height. Walk throughs will be split at the discretion of the judges.

NOTIFICATION APPS: we will be likely using online scoring and gate notification applications. Keep an eye on your email for further announcements.

FIX AND GO ON allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using Fix and Go On will result in a non-qualifying score. Fix and Go On is not pre-entered; rather, it occurs during the run.

MEASUREMENT: If you do not have a height card, your dog will need to be measured by VMO Jean Munger. If you run and are not measured the AKC may remove any legs you may have earned this weekend.

SITE INFORMATION: As always, clean up after your dog. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.

FOOD: Food will be *not* available for purchase on-site.

CRATING: Please, no X-pens allowed. Crate in the marked crating areas. No dogs in the first row of seats next to the ring.

PARKING: No parking is allowed in front of the gymnastics building. Please do not allow your dogs to bark in the car.

WORKERS: If you'd like to sign up to work you can find the signups at <http://rdolson.org/premiums/#gaboc-jan> after January 18.

COVID-19 guidelines

By attending the LaSalle/Glenbard trial on January 29th to the 31st, I and anyone in family or who attends at my behest attests that I/we are symptom free of Covid, have had no contact with anyone who has tested positive for Covid in the last 14 days and do hold CDA, LaSalle Brittany Club and GABOC harmless from any action, either financial or legal in case anyone in your party contracts Covid.

Please DO NOT COME to our trial if you feel sick or if you have been exposed to COVID-19 in the last 14 days, DO NOT COME if you are concerned about being exposed to the Coronavirus. Please do not enter if you are not willing to follow the rules:

1. Masks are to be worn inside the building at all times, even when running your dog.
2. Crating will be alternated big dogs/little dogs to help keep our distance from each other.
3. Crating inside will be limited and exhibitors are encouraged to crate outside.
4. Lunch boxes to be used for workers and judges. These will be pre-ordered. Workers must work 4 or more classes to be eligible for a Lunch box. There will be no breakfast or snacks available at the trial, so plan accordingly.
5. NO MACH cakes or any community food allowed.
6. No chairs in front of ring to allow for movement to and from ring.

These rules are subject to change based on updated state and local COVID-19 guidelines as we get closer to the trial.

Please be respectful of current mitigation strategies to prevent Covid. It would be very helpful if you are not walking a course or in line to run a dog that you not gather in front of the ring for prolonged periods.

We understand that you may want to watch a dog or two, but please not the whole 24 inch class. Strategies that will help include: staying by your crate, taking your dog for a walk and spending time in your car. We do understand that it is winter and we welcome your dogs in the building crated, but ask if you can help keep the numbers down it will make everyone feel better.
