

Pug Dog Club of America
National Specialty AKC Agility Trial
October 6, 2021

WELCOME

Welcome to the Pug Dog Club of America National Specialty agility trial! We hope you all have a great time.

The building opens at **6:30 a.m.** See the judging schedule for the start time for your classes.

Please review your enclosed entry information. If there are any errors or problems, please email the trial secretary at secretary@livetrial.net (preferred) or phone (815) 242-5483. Except for the first class of the day in each ring, all start times are approximate. Dogs in the "B" or "Master" classes will run first, followed by dogs in the "A" or "Excellent" classes for each jump height. Dogs in the Preferred program will run after dogs in the "A" classes in their corresponding jump height. Walk throughs will be split at the discretion of the judges.

MEASUREMENT: If you do not have a height card, your dog will need to be measured by judge/VMO Kathy Rudolph. If you run and are not measured the AKC will remove any legs you may have earned this weekend.

FOOD: Food will be *not* available for purchase on-site.

MASKS: Per site rules masks are required at all times in the building.

CRATING: No inside crating for exhibitors is allowed at this trial.

CHAIRS: No exhibitor chairs are allowed in the building for this trial.

SITE INFORMATION: As always, clean up after your dog, even out in the fields. Do not let your dog urinate on the building or on the outside garbage cans. Remember that hotels are considered by the AKC to be part of the trial site, so exhibitors observed not picking up or causing disturbances at the hotels may face AKC sanctions. We'd like to be able to keep using these hotels for dog shows, so please continue to be exemplary dog owners.

ONLINE TRIAL INFORMATION: We will be using Agility Gate and (most likely) online score reporting. Please pay attention to signage at the site and to the website <https://rdolson.org/pdca>. Agility Gate instructions are available at that link as well. We will be distributing the access code later this week via email to all exhibitors; it will also be available at the trial site.
