COLLIE HIT AGILITY DOG - AWARD SELECTION PROCESS

CCA shall offer one High in Trial (HIT) agility award each day at the National Specialty.

Only qualifying scores from the regular Standard and Jumpers with Weaves (JWW) classes count towards HIT. Preferred classes and additional classes, such as FAST and T2B, do not count towards HIT.

For purposes of the HIT award, a "double Q" is defined as qualifying in both Standard and JWW, any level, or a combination of levels, on a single day of the agility trial.

Classes are weighted as follows:

Novice classes receive 90% of their score
Open classes receive 95%, and
Excellent/Masters receive 100%.

Additionally, collies receive one point for each full second under standard course time (SCT).

The HIT award is calculated by adding the weighted score of each of a collie's qualifying runs (Standard and JWW) plus one point for each full second under standard course time (SCT). The collie with the highest total score under this formula wins the HIT award.

If no collie earns a "double Q," then the HIT award will be determined by calculating only the weighted score for Standard runs plus one point for each full second under SCT for the Standard run.

In the event of a tie, the tie will be broken on the basis of the fastest yards per second (YPS) achieved in any run counted towards the HIT by the tied collies.

HIGHEST SCORING AWARD SELECTION PROCESS

Highest scoring dog with obedience, etc. will be awarded to the dog with the highest qualifying score in the Excellent or Master Standard classes in the Regular (not Preferred) division. Ties will be broken by fastest yards per second.

Food:

Lunch will be available for purchase at the show site. Details will be sent with trial confirmations. Please bring your own beverages. A performance dinner will be held on Saturday — see details and reservation form elsewhere in the premium.
